

MIDTERM NEWSLETTER

14TH FEBRUARY 2025

From the Head teacher
Dear Parents/Guardians,

Happy Valentines to all! As we get to the halfway point of term two, we want to take a moment to reflect on the wonderful progress our learners have made and share some important updates with you. It has been a great joy seeing **our learners grow in confidence, curiosity, and creativity**. Engaging themselves in class activities and exciting outdoor play every day has been filled with **excitement and discovery**.

Our dedicated teachers have been working diligently to provide a **nurturing and stimulating environment, ensuring that each learner develops essential learning skills**.

Your involvement **through supporting homework, attending school events, or simply encouraging a love for learning at home**, makes a significant difference. We look forward to a fantastic second half of the term, filled with more **learning, laughter, and growth**.

OUR MISSION

To provide an exceptional learner centred education that promotes creativity and self confidence in early learning within a safe friendly and homely environment.

POLITE REMINDERS

PUNCTUALITY

Kindly ensure that learners arrive at school on time to make the most of their learning experiences.

Being on time is the best quality to manage things in a well planned manner. It makes us more disciplined and helps to learn the importance of time..

HEALTHY SNACKS

We encourage nutritious snacks for Fridays. Kindly avoid sugary treats and fizzy drink.

ITS ALL ABOUT COLOURS OF LOVE

SICKNESS

We encourage parents to keep learners at home incase of flu or any kind of viral infection. This helps in curbing it from spreading among the learners.
